How to Wear a Mask Properly

- 1 **Label Your Mask** 
- 2 **Wash Your Hands Before & After Use** 
- 3 **Ensure your mouth and nose are covered by the mask** 
- 4 **Tie the mask tightly, without leaving any gaps between it and your face** 
- 5 **Using the loops around your ears or the back of your head. Do not touch your nose, eyes or mouth. Use this method for putting on your mask and removing your mask.**
